

March 20th, 2020.

Per Order issued by the Governor of California in the evening of March 19th, 2020 we are working remotely.

Most if not all California Civil Cases Courts, Recorders and Sheriff's Offices are closed until further notice.

However, some courts such as LASC are processing E-Filings.

If you have a previously established and approved account with our company and E-Submit to us a Court assignment for an E-Filing Court, we will handle it within a reasonable time period (1-2 business days).

***** Assignments from delinquent accounts may not get processed *****
